

KEEP THE BALL ROLLING!!!

at the Education Workers Bargaining Conference 2009

Where: Heritage Inn Saskatoon (102 Cardinal Crescent)
When: Saturday, May 9th, 2009
Time: 9:00 am - 4:30 pm

The EWSC has planned a one day bargaining conference to bring all Saskatchewan CUPE Pre K -12 Education locals together as we continue our efforts of achieving provincial bargaining:

- To review and/or develop the best language for education locals' collective agreements
- To form and prioritize ideal language for all participants to take back to their local bargaining tables
- To discuss winning ways of successfully bargaining these articles into our collective agreements

The EWSC believes that this is an appropriate step as we continue to work towards provincial bargaining. Not only can we continue to improve on our rights and benefits, but we can also ease the transition to one provincial agreement the closer aligned our language (and we) are.

All Education locals are encouraged to attend!*

***We suggest 2 - 4 members per local**

Registration is FREE for affiliated locals and \$20/person for non-affiliates
Lunch and refreshments will be provided **Small local assistance is available**

Rooms have been block booked at the Heritage Inn Saskatoon for the night of Friday, May 8th, 2009 with a few set aside for the 9th as well. Please quote the group code "CUPE" when making your reservation.
