Dear Zahida,

As you are aware the Education Workers Steering Committee (EWSC) chose the Make-A- Wish Foundation for their charity of choice for our 2011 EWSC Conference. I would like to inform you that at our recent EWSC Conference held in Moose Jaw, Saskatchewan we raised \$1277.50 to help grant a wish to a needy child.

We held 50/50 draws on all three days of our conference and had over 40 gifts that we raffled off with all proceeds going to Make-A- Wish. The EWSC executive also donated monies on behalf of the guest speakers at our conference. I am happy to say that the Canadian Union of Public Employees (CUPE) members in attendance believed that the Make-A- Wish Foundation was a very worthy foundation to support.

Sincerely,

Earl Booth,  
Vice-Chair CUPE SK EWSC
