

Movement for May Day

The EWSC would like to invite you to join us at the Movement for May Day. There are many important causes to support, including quality education. We will be flying our banner to share the message that “Schools shouldn’t look like this. Stop the cuts to education assistants.” This will be a great opportunity to voice your concerns over further reductions of EAs before school divisions make their final staffing decisions for the new school year.

Your support is needed to demonstrate that all support workers are necessary for children to have a quality education and we need more support workers, not less.

The Prairie Lily Feminist Society is organizing the “Movement for May Day” on Sunday May 1st. Everyone will meet at Victoria Park in Regina at 1:00 pm and march to the Legislature. The march/rally is to support: human rights, free collective bargaining, equality and justice for Aboriginal peoples, anti-poverty action plan, public services, quality education, quality healthcare, Crown corporations, affordable housing and more.

Let’s get together and send a message to our elected officials that it is time for: transparency, accountability, meaningful consultation and government for the people.

Bring your family, friends, neighbours and coworkers. There will be a children’s fun zone, food and entertainment by the Local Onlyz.

The Prairie Lilies are arranging bus transportation for many communities in Saskatchewan. Please contact Cara at prairielilies@gmail.com to reserve your seat on the bus. [More...](#)
